3. General Liability Insurance quote was received and a check was mailed Monday January 25<sup>th</sup>. Approximately \$1900.00 for the year.

**New Business:**

1. Discuss options for the auction - live with an online portion as well?

Tye Copple introduced the discussion of hosing an MCJLA sponsored show and sale. The discussion revolved around this discussion.

Online Auction software logistically needs to be done through ShoWorks due to integration and working through load out and organization.

2. Do we want to switch banks – Key Bank - and get a credit line to be able to pay the kids sooner?  
John mentioned a change to a bank that will provide a line of credit. The person at US Bank has now moved to Key Bank and has mentioned changing. A line of credit would allow us to get checks out quicker.

List of things to think about: Auction Load Out, Add-On Deadlines, Load-Out Facilities.
